

SHADY MIX

Resistant

**STARKE
AYRES®**

**Used for home lawns, parks,
golf course roughs, polo fields and rugby
fields. The most popular sod mixture.**

- A popular blend for situations requiring high performance but low maintenance.
- 30% Less water and 50% less mowing required than standard cool season grasses.
- Sustainable turf with low input and good endurance.
- Lawn requires a minimum of 40% filtered sunlight to grow successfully.
